Thank You

The Class of 2012 would like to take this opportunity to show its thanks and gratitude for four great years at Clinton High School.

To our class advisors, Mr. Allard and Mr. Czermak, stuck with us for four amazing years. Through Spirit Weeks, Homecoming, Junior Prom, Senior Hop, fundraisers, weekly meetings, questions and problems, they were there, ensuring that we would be successful in whatever we attempted. There is no way we can ever completely thank them for all they have done for us. For years of guidance, support, and dedication, we will forever be grateful.

To our Administrators-we will forever be indebt to Mr. Hastings and Mrs. Kach, who created an environment that allowed each person to grow and flourish. Perhaps more than anyone, they have shaped and molded our lives. It is because of them, and because of Clinton High School that we can go out into the world with confidence.

To our Guidance counselors-Mrs. Solar and Mrs. Pupeki, who set us up for a future of success, and to Mrs. DiMeco, and Mrs., Sweatland who helped us to navigate and survive our senior year.

Finally, we would like to thank Mrs. McDonald, our Yearbook Advisor, for her time and dedication, and for making this edition of Memorabilia possible. Because of her we have a book that holds a lifetime of memories.

Freshman Year

2008-2009

We entered Clinton High School in the fall of 2008 as freshmen. We were nervous and unsure, but in no time we realized that we were going to get along just fine. Our first class elections were held in September, and we elected Shayne O'Malley as President, Katie Ball as Vice President, Sarah Perez as Secretary, and Julie McGown as Treasurer. Our student council representatives were Alyssa Rossman, Avery DeCesare, and Jose Colocho.

Spirit Week came as a bit of a culture shock, but we did no worse than we expected, and placed fourth. By the time it was time for Homecoming, we fit right in. We got our core classes out of the way, made new friends, and got to know our teachers. Before we knew it, finals rolled around, and we were on our way to being sophomores!

Sophomore Year

2009-2010

Sophomore year brought a bit of change for the Class of 2012. We elected a new President, Brett Gannon. The rest of our class officers remained the same; Katie Ball as Vice President, Sarah Perez as Secretary, and Julia McGown as Treasurer. We also elected Luis Feliz, Michael Bradley, and Deshawn Johnson as our Student Council Representatives.

Once again we placed fourth in Spirit Week, but that didn't bother us a bit. We were too busy celebrating our Super Bowl victory, meeting even more new friends, and making up for the shyness of freshmen year. It was hard to believe we were going to be upper classmen in a year....we already felt like we were.

Junior Year

2010-2011

Junior Year- As we arrived in the upper tiers of Clinton High School not that much changed. Our class officers remained the same, Brett Gannon as President, Katie Ball as Vice President, Sarah Perez as Secretary, and Julie McGown as Treasurer. However, our student council representatives changed again, this year they were Erick Gonzalez, Luis Feliz and Alyssa Ring.

We had a lot to do and fast! We hosted homecoming... in the CHS gym! This was a first, and we knocked it out of the park. There is no doubt it will become a tradition for years to come. Finally, we were able to improve our Spirit Week standing, to third, that is. It was the end of the year that brought the most excitement-SATs, seniors leaving, and... oh yeah... PROM! Thanks to the hard work of our parents, teachers, and Student Council, we had the most successful Prom in history! And the momentum carried us right into Senior Year.

Senior Year 2011-2012

Senior Year– Everyone says it, but it's impossible to realize how fast high school goes until one experiences it firsthand. It seems unbelievable- Us? Seniors? Is it really 2012 already?

It looks like the Student Council was doing something right, because the four executive board members were able to hang on for one last year- Brett Gannon as President, Katie Ball as Vice President, Sarah Perez as Secretary and Julia McGown as Treasurer. Luis Feliz was also able to hold onto his position as Student Council Representative, and joining him was Dylan Pichierri and Gretchen Segelhorst. Sarah Platt was elected to serve as the All School Representative to the Student Council.

We were busy, filling out applications and scholarships, making decisions, and of course, enjoying ourselves. We attended homecoming, placed second in Sprit Week (those pesky juniors!), and before we knew it, we were being called down to measure for caps and gowns!

Spirit Week

Spirit week 2011 was not an easy competition. Our strength continued for the fourth year in a row in the class officers race, and for our second year in a row we were able to come out on top in Powder Puff. Throughout the week the energy in the school was positive and exciting. As we headed into the gymnasium for the final events the anticipation was building to see if the seniors could make a comeback. Although we did not come in first, we had a great week and really enjoyed helping out the community with the hat and mitten and food drive.

Junior Prom

On May 7th, 2011, our class arrived at the White Cliffs Estate in Northborough for our much anticipated Junior Prom. The weather that evening did not turn out how we hoped, when for the first time in years it rained. Before we boarded our limo's, we posed for the media in Central Park. With the cameras flashing behind us, our special night was about to begin. After dancing the night away and enjoying a wonderful dinner and ice cream bar, our class advisers announced Queen, Lindsay Duchnowski and King, Dylan Pichierri and their court. We returned to town and quickly headed out for a night of activities and fun at the YMCA in Northborough.

Homecoming

During October of our junior year, we celebrated our Homecoming for the first time in the Clinton High School Gymnasium. It was decorated in purple and silver balloons with streamers. The night was full of laughter and happiness as students from all four grades came together to sing and dance. The night came to an end with the crowning of King Luis Feliz and his Queen Julia McGown. They ended the night with one last dance between the King and Queen and their court.

Our Senior Hop was held on March 10, 2012, with a St. Patrick's Day theme. It was a night filled of "firsts" as the senior class invited all the other classes to join, it was held in the Clinton High School Gymnasium, and we introduced a new DJ. The night was completed with the crowning of Queen, Rubia Tavares and King, Joseph Bavaro. This was our last dance in Clinton High School and we surely made it one to remember!

Europe

Excel Club

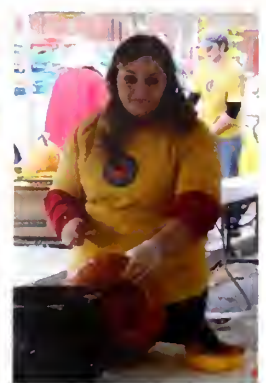

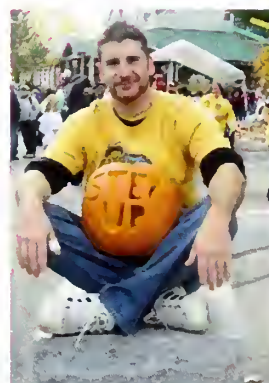

The Clinton High School Exchange Club displayed its loyal help throughout the community in numerous service opportunities. Led by Mrs. Solar and Mr. Ingano, the group volunteered at the annual Olde Home Day, the down town Halloween Walk, Operation Christmas Child, Relay for Life, the Senior Citizen Social and various other activities. The Clinton High School Excel Club is the largest Excel Club in the northeastern US, which makes all who participated truly special.

Step Up To Excellence

FIRST Robotics

As Gael Force began its twenty first season in *FIRST*, the team got dealt a brand new game. Rebound Rumble is a modification of basketball with four hoops and three bridges to cross over. The primary drive team this year consisted of John DiSessa, Stephen Tencati and Paige Tencati, while the back up drive team was made up of Austin Alzepedi, Kevin Wright and Will Segelhorst. Their first competition was the BAE Granite State Regional in Manchester, NH during the first weekend of March. At the end of the seeding matches on Friday, Gael Force ended up the 4th seed out of 50 competing teams. The team had a strong showing and moved on to semifinals where they were knocked out and finished third. Although they did not get gold, they did receive the Engineering Inspiration Award, along with a grant of ten thousand dollars that pays their way to a championship. Only three weeks after their first competition, the team headed to Hartford, Connecticut to practice a triple. Although the team did not make it as far up as third, overall they had much improved. The team ended up finishing a respectable eighth place out of the 64 competing teams. They had one last push to advance with their alliance balance before just falling short of completing this task during eliminations. As the team traveled to St. Louis, Missouri for the second year in a row to compete at the FIRST World Championship, they had a real good chance of going far and making it into the finals in their division. The team had a record of 4-5 when it came to the end of qualification matches and ended up in a respectable 49th place out of 100 teams in their division. The team however did not make it into finals but knowing they did their best to do everything they could to advance, it was a good way to end the season. On Friday night, the team had a special treat when they got to attend the Cardinals game at Bush Stadium, along with attending the City Museum on Saturday and RoboProm for the first time. All in all, the year wrapped up with smiles and tears as the four seniors Brandon Duchnowski, Lauren Gallagher, Gianna Mosciello and Jonathan VanDyne played their last matches with Gael Force.

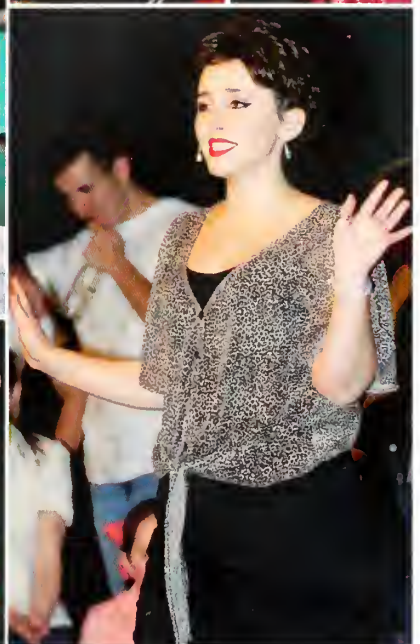

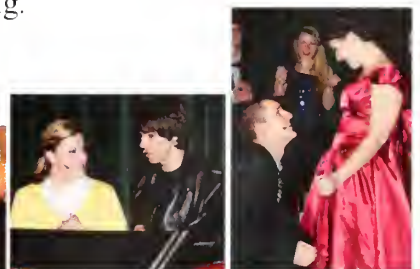

GREASE™

The CHS Drama Club put on a great production of "GREASE!" this spring on March 29, 30, and 31. Led by a strong core of seniors, many students, including a lot of first-time actors, took the stage to perform for the school and the town. A lot of hard work was put in by everyone involved and the final product was one of the best productions CHS has seen. The musical was met with rave reviews and the members of the Drama Club all had a great time performing.

Boys' Soccer

The 2011 Boys soccer season had many ups and downs and ended with the team playing its best soccer over the last few games. The team continually improved on a weekly basis and was starting to put it all together at the end of the year. However, they missed out on districts with a 6-8-3 record. The highlight of the year was a come from behind win against Littleton that showed what this team was capable of during this season and many years to come. The senior leaders this year were Kenson Seguy, Christopher Melone, Erick Gonzalez and co-captains Matthew Royal and Yoni Aguilar. The JV team was coached by Joel Goulet and they compiled a very impressive record in the abbreviated season that they had.

Although they were eliminated in the first round by a strong Division 2 Nipmuc Regional team, through the leadership, responsibilities, and dedication of their Senior Co Captains, Katie Ball, Lauren Byron, Julia McGown and Ali Vetros the future of the program looks promising.

Despite the low number of participants in this years Field Hockey program in no way do the scores indicate the commitment, dedication, sportsmanship and leadership shown by each player and was ultimately witnessed by our opponents coaching staff, and for the second consecutive year we were chosen to receive the Mid Wach D League Sportsmanship Award.

Our team was lead by Co-Captains Senior Danie Pratt and Juniors Natalie Chase, Mikayla Notaro and Senior player Holly Spencer by their leadership and responsibilities on the field and in the classroom.

Co-Captains Danie Pratt and Mikayla Notaro were chosen as Mid Wach League D All Stars and participated in the Central Mass All Star game at WPI.

With the talented returning team we are optimistic the Field Hockey program at Clinton High will settle for nothing less than success.

After two Super Bowl victories, this years team started off 0-4 and its fortunes looked grim. But behind the group of "never give up seniors" and a band of determined underclassmen, all of a sudden things picked up fast.

After a big win vs. Groton Dunstable, the Gaels started to roll winning five of their last six games over Quabbin, Tyngsboro, Nipmuc, and our Thanksgiving Day rival, Maynard. This put them in a mix for a playoff spot under the new M.I.A.A. point system.

The Gaels got the good news on Friday after Thanksgiving that they were in as the fourth seed. The bad news was they needed to play #1 seed and, undefeated Narragansett Regional who was 11-0.

The Gaels took the field at Oakmont with vengeance as they crushed Narragansett 30-8 which put them back in the Super bowl for the third straight year.

In a back and forth battle with Leicester High School the Gaels dropped a heart-breaker 26-20. We had the ball first and goal from the 6 yard line and could not punch it in behind the great leadership of our Senior Captains, Luis Feliz, Zachary Kane, and Michael Bradley.

Boys' Basketball

This years boys' basketball team picked right up where last years team left off winning the Mid-Wach C title for the third time in the last five years. Their league record of 8-2 and 12-7 overall was good enough to get them invited to the Clark Tournament where they got beat by Shepard Hill 76-64 and qualify for Districts where they lost a heart breaker at the buzzer and a defeated 3 point shot to Greater High, 43-42. Though the team was loaded with underclassmen, senior Brian Weihs was selected CO. M.V.P of the league as he lead the Gaels in scoring at 15.2 P.P.G and rebound at 11.1 P.G. Also making vital contributions to this years team were seniors Nathan Quill, Luis Feliz, Avery DeCesare and Michael McDonald. The chemistry of those seniors and this years underclassmen was the main ingredient of this years success.

Boys' Volleyball

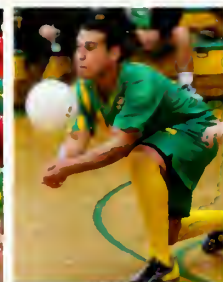

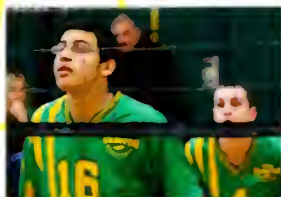

This season began with many new players. There were 10 seniors and the team was lead by co-captains Matthew Royal, Jay Zayas, and Yoni Aguilar. With many injuries the Gaels unfortunately did not qualify for districts. The seniors were Erick Gonzalez, Brandon Duehnowski, Alex Rodriguez, Rodney Ortiz, Babar Bernard, Michael McDonald, and Kenson Seguy. Three seniors this year had never played Volleyball before and grew to love the sport.

Boys' Track

The Clinton track team began its campaign with a very young group of runners. Having only five seniors the team had a competitive 2-5 record in league dual meets. The track team capped off the season with a 4th place finish in the league meet. Standout performances include league champions Edward Quill in the discus and Mike Bradley in the Pole Vault. Mike extended his season by winning the District class meet and the District all-Class meets, then placing 5 in the State meet and 16 in the New England Championship track meet.

National Honor Society

On May 15, 2012, the seventy-first National Honor Society ceremony was held in the Clinton High School auditorium, inducting two juniors and twenty-nine sophomores. Speakers for the evening included Superintendent Terry Ingano, Principal James Hastings, President of the Rotary Club Mrs. Mary Anne Castillo, and NHS President Jeremy Carr. The four principles of the National Honor Society, Character, Scholarship, Leadership, and Service, were symbolized by the lighting of the candles. To elaborate on these four tenets was NHS President Jeremy Carr, Treasurer Victoria Hineckley, Historian Haley Gaughan, and Secretary Sarah Platt. Following the ceremony, the Rotary Club sponsored a Senior dinner at the Russian Leon Museum with Dr. Paulette Seymour-Route as the guest speaker.

Baccalaureate

On Wednesday, May 30, 2012, we gathered in the Clinton High School auditorium wearing our *Green and Gold* caps and gowns. We lined up and proceeded to the auditorium to listen to our greeting and introduction from Class President Brett Gannon. Our guest speaker for the evening was Colonel Robert Cassidy, U.S. Army, Clinton High School Alumnus Class of 1980.

At the conclusion of an inspiring speech from our guest speaker, we viewed our Class Video produced by our own Greenlight Studio Staff.

As we sang our class song "Stand By Me", and marched out of the auditorium, we realized that we were one step closer to graduating from Clinton High School.

Graduation

On Saturday, June 2, 2012, the Class of 2012 gathered at the Clinton Town Hall for their Graduation ceremony, surrounded by family, friends, and faculty members. The class gift was presented by Brett Gannon, the Class of 2012 President. Remarks were given by Valedictorian Bruna Padilha, Salutatorian Jeremy Carr, and High Honor Students Julia McGown and Gianna Moseilla. Each left us with words of encouragement for the future and fond memories of the past four years at Clinton High School. Superintendent Terrance Ingano, Principal James Hastings, and School Committee Member Tena Zapantis also gave inspirational speeches to leave with the Class of 2012. After these remarks and the awarding of the diplomas, the class sang the school song "*Green and Gold*" for the last time as they began a new chapter in their lives.

Tookie,

Over the years we have gone through
ups and downs, experienced laughter
and tears, and evolved from sisters to
best friends. I am so proud of you and
the young woman you have become. I'll
always cherish the time I had “teaching”
you and I look forward to watching your
next chapter of life.

Sarah,

All you have to do is be yourself and live the story that no one else can live, the story of your own unique life.

We hope your dreams take you ...
to the corners of your smiles,
to the highest of your hopes,
to the windows of your opportunities,
And to the most special places your heart has
ever known, and always remember where you
came from and that you always have a place to
come home to.

you begin your next chapter.*

*To the outside world we all grow old; but not to sisters.

We share private family jokes. We remember family feuds and secrets, family
griefs and joys. We live outside the touch of time. -Clara Ortega*

Love You Forever, Mary Kate, Faith & Liz

Congratulations. I'll miss you.

"God gave me you for the ups and downs.
God gave me you for the days of doubt.

Sarah,

"Don't be afraid to make mistakes,
to stumble and fall,

the journey is the destination." -OTH

*"Moving On Is Simple. It's What We Leave Behind
That's Hard"*

These four years have gone by so quickly. It seems like we were always telling you not to wish time away but to realize your high school experiences are to be relished. We wish that we had taken our own advice because time really did fly by. The Class of 2012 is truly special and we always did things in a unique but positive way. We hope that your future is as unique and that you have many unexpected adventures just as we have had working with you. May your future be full of success and may you look back at your high school years fondly.

All our Best,
